### UNDERSTANDING DEMENTIA

#### **You Are Not Alone**

Caring for someone with dementia can be one of the most challenging journeys a family can face.

You may notice:

- Memory loss
- Confusion or disorientation
- Changes in behaviour
- Anxiety or agitation
- Difficulty with daily tasks

At **Care Managers Ltd**, we understand these challenges — and we are here to support both you and your loved one.

---

## Our Dementia Care Services

- ✓ Personal care with patience and dignity
  - ✓ Medication support and monitoring
  - ✓ Structured daily routines
  - ✓ Companionship and emotional reassurance
  - ✓ Meal support and nutrition
  - ✓ Support with mobility and safety
  - ✓ Night-time or live-in care (if needed)
- 

## Familiarity Matters

We focus on:

- Keeping routines consistent
  - Supporting independence
  - Reducing confusion and distress
  - Creating a calm, safe environment
- 

## WHY CHOOSE US

## Why Families Trust Us With Dementia Care

### 🧠 Trained and experienced carers

Our team understands dementia behaviours and how to respond calmly and safely.

### ❤️ Compassion-first approach

We treat every person with respect, dignity, and kindness.

### 🏠 Care at home — where they feel safe

Remaining in familiar surroundings reduces confusion and distress.

### 🕒 Fast support when you need it

We can begin care within **24–48 hours**.

## **Support for families too**

We guide and support you through every step.

---

### **What Families Say**

“The carers were patient, understanding, and truly knew how to support my mum. It made such a difference to our lives.”

---

## **CALL TO ACTION**

### **Let's Support You Through This Journey**

You don't have to face dementia care alone.

We are here to provide:

- ✓ Guidance
  - ✓ Compassionate care
  - ✓ Peace of mind
- 

### **Free Dementia Care Assessment**

We will:

- Understand your loved one's needs
  - Provide expert advice
  - Create a personalised care plan
-
